PERSONAL STATEMENT

I'm an experienced Website Developer looking to continue my career within agency side development.

I have excellent design & coding skills, as well as an ability convert client requirements into exciting online applications.

CAREER ACHIEVEMENTS

- Took charge of a £3m account from initial brief to final production with a successful launch resulting in national newspaper coverage.
  (MM.YY)

- Pioneered the move into the social networking environment for my employer, creating a range of widgets that achieved a 300% increase in unique visitors and a £120% increase in sales over 3 months.
  (MM.YY)

- Completed a full site survey for a Central Government website highlighting browser compatibility issues and development steps needed to comply with W3C standards.
  (MM.YY)

- Part of the team that achieved 'Welsh Website of the Year', beating off competition from over 300 entrants.
  (MM.YY)

- Mentored three graduate trainees with all completing the training programme well ahead of schedule.
  (MM.YY)

- Asked to talk at 'The Future of Web Applications' conference to over 250 delegates from across the industry.
  (MM.YY)

- Developed a new navigation structure that was tested in user focus groups against 8 other designs. My code was seen to be at least 20% more efficient than all the other designs.
  (MM.YY)

- Implemented a shopping cart feature for a client that reduced lost sales by 75%, creating additional £25k revenue within 12 months.
